I, _____
(Client Name)

hereby consent to engage in Telehealth with

(Therapist Name, Title, License#)

I understand that Telehealth is a mode of delivering health care services, including psychotherapy, via communication technologies (e.g. Internet or phone) to facilitate diagnosis, consultation, treatment, education, care management, and self-management of a client's health care.

By signing this form, I understand and agree to the following:

1. I have a right to confidentiality with regard to my treatment and related communications via Telehealth under the same laws that protect the confidentiality of my treatment information during in-person psychotherapy. The same mandatory and permissive exceptions to confidentiality outlined in the [Informed Consent Form or Statement of Disclosures] I received from my therapist also apply to my Telehealth services.
2. I understand that there are risks associated with participating in Telehealth including, but not limited to, the possibility, despite reasonable efforts and safeguards on the part of my therapist, that my psychotherapy sessions and transmission of my treatment information could be disrupted or distorted by technical failures and/or interrupted or accessed by unauthorized persons, and that the electronic storage of my treatment information could be accessed by unauthorized persons.
3. I understand that miscommunication between myself and my therapist may occur via Telehealth.
4. I understand that there is a risk of being overheard by persons near me and that I am responsible for using a location that is private and free from distractions or intrusions.
5. I understand that at the beginning of each Telehealth session my therapist is required to verify my full name and current location.
6. I understand that in some instances Telehealth may not be as effective or provide the same results as in-person therapy. I understand that if my therapist believes I would be better served by in-person therapy, my therapist will discuss this with me and refer me to in-person services as needed. If such services are not possible because of distance or hardship, I will be referred to other therapists who can provide such services.
